

St Paul's Catholic Primary School

Raising God's Children to Distinction

[Remote Learning 2020/21 Action Plan.](#)

In September 2020, all our classes returned to full-time education following the Covid 19 closure in March. Although we hope that the majority of our children will now have an uninterrupted experience, there is the possibility that an individual child, a class bubble, or indeed the whole school, will need to self-isolate for a period of time. We have therefore put in place a plan for remote learning so that all children can continue with their education.

This meets the expectations set out in the DfE guidance 'Remote Education Support'

<https://www.gov.uk/guidance/remote-education-during-coronavirus-covid-19>

The school uses Google Classroom or Tapestry. All children have been given a login for this. Please contact the office if you need this to be reissued.

Within Google Classroom, there will be important information regarding remote learning during absence from school and the children can message their teacher and submit their work using this platform.

The REMOTE LEARNING tab is also on our website giving all the information you will need for remote learning.

<https://www.stpaulscatholicprimary.co.uk/page/?title=Remote+Learning&pid=1264&action=saved>

If a child does not have access to a computer/laptop and/or the internet, the school can provide paper packs of learning if necessary. Parents should make the school aware of any barriers to accessing remote learning.

You will find here an overview of lessons to be completed each day. If you click on your Year Group, you will see specifically the curriculum expectations set by your class teacher.

It will provide learning across the curriculum and children will be expected to spend time completing task in English and Maths as well as one other subject. Timetables will be available for each class in Google Classroom.

The Overview.

Reception / KS1 & KS2

The daily timetable will include:

- Maths –White Rose Maths, MyMaths and Number Bots / X Tables Rockstars
- Reading – Using the Oxford Owl on line scheme
- Writing – Using the Hey Pobble 365 Picture of the Day
- Spelling/Phonics – Phonics Play
- At least one foundation subject- learning linked to the year group curriculum – Using the Oak National Academy.

SUBJECT	WEB LINK	DETAIL
MATHS	https://whiterosemaths.com/homelearning/ https://www.mymaths.co.uk/ https://trockstars.com/ https://play.numbots.com/#/intro	<p>Using White Rose maths, children will be guided to the appropriate year group they are working in and to one of the topics available.</p> <p>They then select a lesson to complete; this includes a video and subsequent questions.</p> <p>The children have details of their own portal log in which enables them to complete the homework set.</p> <p>Children have their own TTRockStars login details to practice and rehearse their times-tables at the appropriate level.</p> <p>KS1 have login details to practise their number bonds using 'NUM BOTs.'</p>
READING	https://home.oxfordowl.co.uk/reading/free-ebooks/	<p>Reading is everything. Read as much as you can at home. Children are to read from their own reading book or download and read a free e-book from Oxford Owls- parents will be contacted with the correct Oxford Level for their child.</p>

WRITING	https://www.pobble365.com/	A brilliant, fun and entertaining way to write. Click on PDF download for the 'picture of the day' eg, Darth's Dream Car- reading and writing activities are provided based on the picture provided. Click on PDF download for the 'picture of the day' eg, Darth's Dream Car- reading and writing activities are provided based on the picture provided.
SPELLING		Weekly spellings will be published on the Class Page for children using the strategies learnt in class.
PHONICS	https://www.phonicsplay.co.uk	Phonic activities based on the Phase your child is working from.
FOUNDATION SUBJECTS	<p>https://www.bbc.co.uk/bitesize/this-terms-topics</p> <p>OR</p> <p>https://classroom.thenational.academy/</p> <p>PLUS</p> <p>https://www.tigtagworld.co.uk/</p>	<p>Your teacher will guide you whether to use BBC Bite Size OR the Oak Academy. Feel free to do extra.</p> <p>Children can select their year group and subject (science, history or geography) then complete a relevant learning activity linked to their classroom learning.</p> <p>A science website that the school subscribes to and the children will have a login to access the resources. Login details can be found on their Google Classroom page.</p>

The Oak National Academy.

The 'teaching content' will be provided to children through age appropriate video content on the DfE published list of educational resources site; Oak National Academy website. This provides the equivalent of 3 hours of lessons per day for primary school children. In their 'classroom' each lesson is an hour-long. They're delivered by a teacher, with a pre-recorded video as well as quizzes, worksheets and creative activities. It's all easy to use, there's no login or password, and you can access the lessons on any device- pupils only need materials they can find at home.

Providing feedback

Pupils can send any completed work to teachers via Google Classroom or the school office admin email admin@stpaulscatholicprimary.co.uk

Alternatively, work that children complete on paper should be kept safe and returned to school when safe or informed to do so.

Contact with pupils/ parents

Parents are able to contact the school via telephone, 01454 866790 or 01454 866792, Schoolcomms text system (reply to any text from us) or the school admin email address. We will response within 48 hours.

Where a pupil is self-isolating on medical ground for a significant period of time, contact will be made via telephone on a weekly basis to monitor learning and provide support if needed.

Pupils identified as vulnerable will be contacted by a designated member of staff on at least a weekly basis and support offered as necessary.

Safeguarding

Please refer to Child Protection and Safeguarding Policy.

Data protection

When accessing personal data, all staff members will: Only use their official school email account and connect to the school network using their school laptop only.

Sharing personal data

Staff members are unlikely to need to collect and/or share personal data. However, if it does become necessary, staff are reminded to collect and/or share as little personal data as possible online. All data collection will be compliant with GDPR guidelines.

Keeping devices secure

All staff will take appropriate steps to ensure their devices remain secure. Computers should be locked if left inactive for a period of time. Operating systems must be up to date – always install the latest updates.

Monitoring arrangements

This policy will be reviewed by the SLT as and when updates to home learning are provided by the government.
