Our Vision

St Paul's Catholic Primary School will be:

A community where there is acceptance of all and belief in others. We will be a compassionate family where everyone knows they are a unique creation called to be the face of God for others. We aspire to be an exceptional community where our children are resilient, reach their full potential, flourish in their progress and take pride in their achievements and those of others. We will recognise and celebrate God's gift of the wider world through our provision of a creative, broad and ambitious curriculum which prepares our children for life in modern Britain.

Our Values:

Respect, Friendship, Perseverance, Honesty, Caring, Thankfulness and Confidence which are rooted in the Gospels of Jesus Christ and we support and encourage those values which form our modern British Society – Democracy, Rule of Law, Individual liberty, mutual respect and tolerance (value) of those of different faiths and beliefs.
