

**Clear out your wardrobe and earn  
£400 per tonne!**

**Helping  
St Pauls Catholic  
Primary School  
Fundraise with  
Textile Recycling!**

**Your collection day is on:  
Friday 2 February  
(afternoon)**

**30% of the clothes  
in our wardrobe  
haven't been worn  
for a year!**

**Who we are:** A Bristol based, family run business with over 40 years' experience in the textile recycling industry.

**What you need to do:** Have a spring clean and gather unwanted clothing, paired shoes, handbags & belts and bag them up and bring them in on collection day.

**Who will benefit:** The organisation collecting will earn funds for their beneficiaries, new equipment and educational trips.

**How it works:** Simply start collecting! Be green and reuse and bag from home to collect clothing, paired shoes, bags & belts. BTR will pay 40p per kilo of collected textiles which will be paid direct to the organisation collecting.
